#### **Major Spot Prizes and Draws**

We are very thankful for the support of many Canterbury businesses and organisations for our event. We have two major spot prizes which will be drawn at prizegiving;

The team at Bradley Nuttall are sponsoring our first major spot prize of accommodation for up to six people in Hanmer Springs and passes to the hot pools. A great prize as we head into the cooler winter months.

Bradley Nuttall are experts in investment management and financial planning, providing personalised, independent financial advice. If you are needing advice with this head over to their website [www.bnl.co.nz](http://www.bnl.co.nz) to find out more.

Paul Wylie Cyclorama have been long standing supporters of the Mid Canterbury MTB Club and they are showing their support again by donating a bike as a major spot prize for this year's race.

Throughout the day there will be random spot prize draws so keep an ear out for your name to be called over the speakers and come to the registration tent to collect your prize.

Other prizes that are up for grabs include;

**Mother's Day hamper** - all Mums who are in the event village, whether riding or supporting, can enter the draw for our Mother's Day hamper from Lushingtons. Thanks to Davidson Refrigeration and Electrical for sponsoring this prize. And don't forget, all mums who are riding on the day will receive 'roses' to celebrate Mother's Day

**Best Team Costume** - get the creative juices flowing and get a team costume together. The best team costume will win a prize from McDonald's Ashburton

**Best site** - if you're not into dressing up yourself then dress up your site! There will also be a prize from McDonald's Ashburton for the best team site

**Track quiz** - there will be a quiz during prizegiving about the track that you are riding so pay attention when you are riding, we might be asking about the things you see on the track, the number of times things appear/occur or names of sections of the track.
