**Sunday 8 May 2016**

## **COUNTDOWN TO RACE DAY**

The countdown is on until the McDonalds Ashburton 6 hour race for 2016! The weather forecast is telling us to prepare for a cloudy, mild day . . . perfect for racing! Entries are now closed and it looks set to be our biggest event yet as we are officially SOLD OUT!

### **Allenton Rugby Grounds**

On the morning of the race you will need to make your way to the Allenton Rugby Clubrooms on Melrose Road where the race village will be set up. Those travelling from out of town need to head into Ashburton via SH1 and turn at the set of lights at the McDonalds / Mitre 10 corner (turn right if you have come from the north, turn left if you have come from the south). Follow this road until you see a McDonalds trailer on the corner of Melrose Road on your left. Drive down Melrose Road and you will see the Allenton Rugby grounds on your left.

### **Event Village**

When you arrive at the grounds you will be allocated a team site within the event village. Each site is 10m x 5m and teams are permitted one vehicle per site. It is advisable to decide before you arrive which vehicle is going to be parked at your site. Additional vehicles will need to be parked in the designated area still within the Allenton grounds but away from the course. Please make sure that ALL members of your team know your team name before they come to the ground. Sites will be allocated as you arrive and will be done by team name. If you do not know your team name you will be sent to park in the additional parking.

How you set up your site is up to you - you may wish to bring a tent or gazebo to use for shade or shelter and bring along deck chairs, portable BBQs, chilly bins with food and drinks, armchairs . . . whatever you and your team need to take part in the event. Remember that there is a prize from McDonald's Ashburton for the Best Team Site. **If you are wanting to be next to a particular team you need to ensure that you arrive at the grounds together** - sites will not be allocated prior to race day.

Gates will open at 8am and all vehicles must be parked by 9:40am - no vehicles will be able to enter the grounds after this time until the race is underway.
